Thank you

We would like to thank you all for responding to our request to wear a mask at drop off and collection times.

Autumn 2 Half Term Activities

Children in Need day:

The focus this year is very much on children thriving in the current climate, each day the children will take part in the 'five to thrive' activities suggested by CiN with us having a sport themed non uniform day on Friday 13th November. We are asking for a £2 donation; to allow us to remain cashless this will be set up on School money, should you wish to donate more please contact the office. The link below will take you to this years' Children in Need focus.

Winters' Tale Evening

We always look forward to this evening, with the children coming back to school in their pyjamas and bringing a mug to have some hot chocolate whilst listening to a story. We have made some adjustments to allow the event to go ahead whilst ensuring we can continue with current measures. Unfortunately the children will not be able to bring any teddies, blankets or pillows this year and we have made some adjustments to the date.

Tue 1st Dec 5:00pm Elm & Beech

Wed 2nd Dec 5:00pm Rowan

Thur 3rd Dec 5:00pm Willow & Birch

Christmas Activities

As we will be unable to hold our nativity we are currently considering how we can replicate the scarecrow festival with a Christmas theme and will update you in the coming weeks.

Christmas jumper day is Friday 11th December

Christmas party days:

Tue 15th Elm & Beech

Wed 16th Rowan

Thur 17th Willow & Birch

Home Learning if your family are self isolating

We ask that on the first day away from school that you access the class page on the school website where there are links to learning resources. From the second day your child's class teacher will upload daily work to SeeSaw that is being carried out in class. This will cover reading, maths, writing, spelling and a project based task.

With our children already missing so much time during the first lock down we ask that you engage with the work provided, with your child uploading their work to allow adults in school to respond, so that together we reduce the impact of being away from school.
